Talents Tokyo - Meetup Support Program 2026 Selected Alumni Announced (Locarno Film Festival)

Tokyo (July 24, 2026) – Talents Tokyo Organizing Committee is pleased to announce the selected alumni for the Meetup Support Program 2026.

Initiated in 2010 and held annually in Tokyo, *Talents Tokyo* is a talent and project development program for emerging Asian filmmakers. Over the past 17 years, the program has welcomed more than 200 alumni.

Alongside the main program, Talents Tokyo provides continuous support to alumni for their filmmaking activities. Since 2014, the “Next Masters Support Program” has provided grants to support alumni in the development and promotion of their projects.

Starting in 2026, a new initiative, the “**Meetup Support Program**”, provides opportunities for alumni to attend international film festivals and project markets, expand their professional networks, and advance their in-development projects.

“Meetup Support Program 2026” will provide opportunities for alumni to attend the **Locarno Film Festival** (Switzerland) and the **Berlin International Film Festival** (Germany). This announcement introduces the participants selected for Locarno Film Festival 2026.

Selected alumni will primarily participate in programs and events throughout Locarno Pro, the industry platform of the Locarno Film Festival, as well as other festival events. Through networking and exchanges with filmmakers and industry professionals, the program aims to foster new connections and create opportunities for alumni to further advance their careers.
