

Japanese Dance Workshop

Try on a yukata and experience Nihon Buyo

It is a type of traditional Japanese dance that has a history of nearly 400 years. It is characterized by uniquely Japanese qualities of elegance and grace. Why don't you try on a yukata and our dance workshop?

You can wear a yukata and learn how to dance in this workshop. A yukata is traditional costume but easy to put on, unlike a kimono. We will provide the yukata and tabi (special split-toe socks).

In addition, we hope you will enjoy "Fujimusume", which is the authentic and well-known Japanese dance.

*Priority will be given to those who arrive first.
