IN HANEDA AIRPORT INTERNATIONAL PASSENGER TERMINAL

We organize accessible short programs that offer foreign visitors and others the opportunity to gain authentic first-hand experience of traditional culture and performing arts.

Shishimai (lion dance) is a type of ancient Shinto music and dance. Originally it was a dance to purify places such as by exorcism, and it is said tha people who were present at the dance would also have their heads bitten by the lion which would lead to auspicious occurrences and good fortune. Shishimai parades around 4th and 5th floor area and can really experience manners and customs that a head is bitten. Afterwards, you can enjoy Kyokugei performance at the stage of Festival plaza on 5th floor. You can see the kasamawashi performance which means rotating an umbrella with some objects, as well as gokai-jawan, using a long rod to support some objects on top of the rod. In Japan, the kasamawashi is particularly popular and also believed to be very auspicious. You can try performances such as kasamawashi and kamitate (a part of gokai-jawan).

Wazuma is traditional magic that has been handed down from 400 years ago. This magic was extremely popular among the masses in the Edo period.
